

Web (Beep Boop)

"Let's push to prod
on Friday"

● Design :

Accessible by all
Don't assume anything

- Visually Impaired Users :

- Uses a browser

+

Screen reader
(uses a speech synthesiser)

- Never advertise info in
purely images (unless alt. text)

POV:

DNS fail →

- Modern Design Practice

- Liquid layouts

- Responsive scaling / layout

- Website optimisation → Network & Images → SEC

- Images - Reduce

Merse

Compress
